SUMMARY

I turn complex creative challenges into results. From editing and post-production to 3D, AI, backend/frontend development and interactive experiences, I deliver solutions most companies need multiple specialists to achieve. Fast, adaptable, and fluent in English, Spanish, and French.

CORE SKILLS

- Video Editing and Post-Production (After Effects, DaVinci, Motion Graphics)
- 3D Visualization and Interactive Media (Cinema4D, Unity3D)
- AI Image, Video, and Voice Generation (Runway, Sora, SD Forge, ComfyUI, Kling)
- Web and App Development (HTML, CSS, JS, PHP, Python, C#, MySQL)
- Creative Problem Solving, System Integration, Fast Prototyping

SELECTED EXPERIENCE

Freelance Creative Specialist - Independent (2016-Present)

Delivered end-to-end creative and technical solutions across editing, post-production, 3D, AI workflows, multimedia content, web applications, and interactive experiences. Clients retain me for versatility, speed, and ability to replace multiple specialists.

Head of Product - oomph.tv (2017-Present)

Led development of multimedia platforms integrating 3D CGI, streaming, and procedural behavior. Designed architecture, implemented algorithms, prototyped AI-driven features, and managed coding and post-production workflows.

Development Consultant - Yoin (2018)

Rebuilt underperforming startup environment. Formed internal development team, redesigned UI/UX, restructured fragmented codebases, and established development roadmap. Used Docker, AWS, PHP, PostgreSQL, Linux, Swift, Java/Kotlin, Python.

Product Developer - Yorgasmic (2017-2018)

Built full custom backend and subscription systems, video platform, e-commerce, blog and vlog structures. Responsible for complete front-end and back-end development.

System Integration Consultant - MVM Television (2016-2017)

Improved integration of broadcast and digital streaming systems. Trained engineering team. Developed new website and live streaming platform.

EDUCATION

Parsons School of Design - Master's in Design and Technology (2008-2010)

M3i Formation - Certification: Apple Shake Operator, Post-Production Techniques (2007)

Universidad Iberoamericana - BA in Communication and Media Studies (2000-2005)

LANGUAGES

Spanish (Native) - English (Bilingual) - French (Professional)

HONORS AND AWARDS

LVMH The Art of Craftsmanship (2nd Place) - Outstanding Thesis Award
