

Peter Gilbert

**Primary School Division
Head, Primary School
Teacher EAL, Music, Sport**

Being part of the dynamic community as both a teacher and school leader is a privilege. The guiding principles that we foster match my own philosophy, allowing me to work alongside students and my team with the best of local values and a global outlook at the same time.

I strive to share my drive for learning and hope through targeted communication and an eye for the bigger picture to make a difference in my students' lives.

“
