Nicole Albani-Perquy

Primary Teacher
French

“The most important thing about teaching and learning French is not acquiring the knowledge but using the language in everyday life. During my work, I have noticed the solidarity of children and how much they help each other. This leads to the strong and constructive class dynamic I appreciate so much.”

Professional Experience

- Tutoring for non-French speaking children, Lycée Français de Zurich, Switzerland
- Mother Tongue Maintenance Teacher, Inter-Community School Zurich, Switzerland
- Native Language and Culture at FLAM Français Langue Maternelle, Zurich University of Teacher Education, Switzerland

Qualifications

- DAEFLE Diplôme d'Aptitude à l'Enseignement du Français Langue Etrangère
- Einführungsmodul ins Zürcher Schulsystem, Pädagogische Hochschule Zurich, Switzerland
