Erika Alice Jäger

Primary Teacher
Grade 1 & 2
Student Support Coordinator

“Classroom teaching and supplemented support lessons is the ideal combination for me. My own bilingualism is of great value. I support all students individually and help them reach their full potential. In the spirit of Galileo Galilei: "You cannot teach anyone anything, you can only help them to find it within themselves.”

I have had the privilege of teaching and developing at Lakeside School for more than ten years. The bilingual teaching, the familiar environment, and the cooperation with competent teachers have impressed me until today.”
