“Being part of the dynamic community at Lakeside School as both a teacher and school leader is a great privilege. Together we foster a holistic educational approach, bringing together student and teacher strengths to guide them through the next steps of learning. With the best of local values and global outlook, I strive to keep an eye on the bigger picture of each student's journey and communicate needs to drive learning forward.”

"To get the right answer, find the right question first." Frank Bodin.
