Léonie Jakupovic

Admissions Coordinator
School Secretary

“As a former student of Lakeside School, I am delighted to return as part of the office team. Lakeside School has always been a place where curiosity is sparked and learning is combined with joy. This open and inspiring atmosphere, which I had the privilege of experiencing myself, is particularly close to my heart. I am now very excited to actively contribute to shaping this valuable atmosphere and helping ensure that students and parents continue to feel at home in an environment characterized by openness, trust and warmth.”
