Simone Korolnyk

Primary Teacher
Grade 5 & 6

“With head, hand and heart" is my creed as a teacher. It motivates me to accompany my students on a part of their life’s journey and to help them in their academic, social, and personal development. It makes my work rich, interesting, challenging, valuable, touching, and fulfilling.
I particularly appreciate the family-like, personal environment at Lakeside School, which is enriched by the bilingualism and the different nationalities on campus.”

Professional Experience

- Primary Teacher, local schools, Switzerland
