Fabienne Seunig

Primary Teacher
Grade 5 & 6

“Accompanying children individually on their learning path and making their strengths visible is the best thing about teaching for me. I love the moments when something suddenly succeeds that previously seemed impossible - when learning is fun, inspiring, challenging and encouraging. I want my classroom to be a place where all children feel safe, accepted and heard - with all their questions, concerns and ideas. Lakeside School is a place where cultural diversity is lived - I find that very enriching. I appreciate the multilingualism, the friendly atmosphere and the commitment of the team.”
