Anja Stelzner

Primary Teacher
Grade 1 & 2

“The children are at the centre of what I do. First and foremost, they need to feel safe, secure, and at home. Only then is learning possible. Individual responsibility and differentiation are an important part of my teaching. Every child is different. It is crucial to build upon the strengths and develop the identified areas of growth.”

Professional Experience

- Primary Teacher, German School Sharjah, United Arab Emirates
- Class and subject teacher, local schools, Germany
