

ForeverFrom – Acceptable Use Policy

Effective Date: **December 9th, 2025**

ForeverFrom honors lives and preserves memories with dignity. This Acceptable Use Policy (“AUP”) protects our community and Services. By using ForeverFrom, you agree not to misuse it in ways that harm others or the platform. Violations may result in warnings, suspension, or termination.

1. Respect for Human Dignity

- No harassment, bullying, defamation, or threats.
- No hateful, discriminatory, sexually exploitative, or violence-glorifying content.
- No distortion, impersonation, or misrepresentation of real people (living or deceased).

2. Accuracy & Ownership of Content

- Upload only content you own or have rights to use.
- You may only submit your own voice for any biometric or cloning features. See Section 5 for the full voice-cloning rules and enforcement.
- No misinformation or fabricated legacies.
- Biometric data follows our Biometric Data Retention & Destruction Policy (see separate policy for complete details).

3. Prohibited Technical Uses

- No reverse engineering, extracting, or replicating our source code, models, or algorithms.
- No scraping, harvesting, or automating data collection.
- No using outputs to train competing AI models without written permission.
- No interfering with security, bypassing controls, or disrupting service.

4. Advertising, Promotion & Influence

- No unsolicited promotions, spam, or commercial advertising.
- No presenting AI outputs as professional advice (medical, legal, financial) or official ForeverFrom views.

5. Voice Cloning Prohibitions & Enforcement

Voice Cloning Restrictions. You may not:

- Clone or simulate any voice other than your own.
- Upload audio of another person for cloning.
- Use voice cloning to impersonate or create deepfakes.

Enforcement. We may warn, suspend, terminate, restrict features, or report to law enforcement. We are not obligated to monitor activity, but we may review and act on reported or otherwise detected violations at our discretion.

Appeal Process. Email appeals@foreverfrom.com with details. We review and respond promptly. Decision is final (except illegal/safety issues).

Indemnification. To the fullest extent permitted by law, you indemnify ForeverFrom from claims arising from your misuse of voice cloning or submission of non-owned audio.
