

## Free College & Career Planning for High School Students

### Counselor Quick Start

#### What This Is

Your Future Blueprint (also known as Fast Track Scholar) is a free guidance platform that helps high school students and families understand college, career, financial aid, and post-secondary options with clear, short, practical lessons. It is designed to support—not replace—school counseling. It provides a consistent, grade-appropriate reference counselors can share with students and families throughout the year.

#### Who It's For

High school students (grades 9–12), parents and families, and school counselors and educators.

#### How Students Access It

Students can start immediately. No account required. No payment required.

#### Student Start Link:
