Applicant Signature: _____ Date: _____

Roseland Park Crematorium is a member of the (ICCM) Institute of cemetery and crematorium management and adheres to the joint guidance on holding over issued by the ICCM, FBCA, APCC and CSGB.

Holding over means that the coffin may not be cremated on the day of the service due to mechanical failure or exceptionally busy periods and will be cremated the following day, the crematorium has suitable storage conditions for holding over for a period of time not exceeding 72 hours, Roseland Park will notify the funeral director to inform the applicant if the 72 hours holding over is required or to arrange for an alternative crematorium.

We understand that this is both a very difficult time and difficult decision regarding the ashes, so we will contact you after the cremation service to confirm your instructions and offer any assistance you may need, as your original decision may have changed. Should you decide to have your loved one's ashes interred or scattered at Roseland Park Crematorium, we have memorial options that may honour and remember a loved one. **Please come and speak to us or call us to make an appointment on 01623 259 510 or Email: info@roselandparkcrematorium.co.uk**
