**Roseland Park
& Crematorium**

Here at Roseland Park & Crematorium we are surrounded by beautiful fields and countryside, offering glorious views and a true sense of tranquility.

Our modern buildings have been sensitively designed to bring comfort, peace and privacy to everyone who visits.

Roseland Chapel is a flexible space, able to provide small intimate services, large attendance celebrations and everything in between.

We have state-of-the-art equipment at our fingertips, from the Obitus audio and visual systems that allow us to play bespoke music selections and music tributes during services, through to technology that keeps our rooms maintained at a comfortable temperature.

We are proud to be a fully accessible site with everyone's comfort, access needs and safety in mind.

At Roseland Park & Crematorium we also have the luxury of our hospitality suite, Chapel View Tea Room, which is a lovely space to grab refreshments (including coffees, cakes and hot food) as well as being a bookable space to hold post-funeral service gatherings and celebrations of life.

Additional information:

We have many private memorial options available including urns, memorial plaques, individual memorial gardens and jewellery.
