MISSION

The KAT6 Foundation is a global nonprofit advancing research, awareness, and support for individuals and families living with KAT6A and KAT6B syndromes.

Since our founding in 2017, the number of individuals identified with KAT6 syndromes has grown from fewer than 100 to nearly 1,000 worldwide. This progress reflects increased awareness, improved diagnosis, and the strength of our connected global community.

We are the only 501(c)(3) nonprofit organization dedicated to supporting the international KAT6 community.

ABOUT KATWALK

Held each September, KATwalk is our largest community fundraising and awareness event. Families, friends, and supporters across the world come together to honor loved ones, raise awareness, and fund research that brings us closer to better treatments and brighter futures.

2026 will mark the KAT6 Foundation's 9th year of coming together to walk for a brighter tomorrow. Since our first event in 2018, KATwalk has grown from raising \$25,000 to over \$300,000 in 2025.

In total, participants have raised more than \$1.1 million in support of our mission.

KATwalk provides sponsors with meaningful visibility while supporting a rapidly growing global rare disease community. We invite you to partner with us as we continue to expand our reach and impact in 2026.

SPONSORSHIP PACKAGES OFFERED

Custom sponsorship opportunities are available upon request.

NATIONAL SPONSORSHIP OPPORTUNITIES

CHAMPION SPONSOR

Contribution: \$10,000+

Benefits:

Contribution: \$250 - \$999 or items of equal value

Benefits:

- Logo included on local event signage
- Social media recognition
- Acknowledgment in post-event thank you communications

THE IMPACT OF YOUR SUPPORT

RESEARCH

Research is our largest investment. This year, we are funding 8 new studies focused on understanding KAT6A and KAT6B and exploring potential therapies. Through partnerships with leading researchers, we are accelerating progress toward meaningful treatments. [Learn more about our funded projects.](#)

Annual Cost: \$360,000

KAT6A/KAT6B PATIENT REGISTRY

The KAT6 Patient Registry is the only global database dedicated to our community. It advances research by collecting real-world data from individuals and families.

Annual Cost: \$3,200

KAT6 iPSC BANK AT BOSTON UNIVERSITY

We support a patient-derived iPSC biobank, providing researchers with critical samples to study KAT6 at the cellular level and advance therapeutic development.

Annual Cost: \$15,000

KAT6 CLINIC AT BOSTON CHILDREN'S HOSPITAL

In 2026, we opened the first-of-its-kind KAT6 Clinic at Boston Children's Hospital. The team collects detailed health data and samples to better understand these conditions and prepare for future clinical trials.

Annual Cost: \$20,000

EMPOWERED GRANTS

Our Empowered Grants program provides financial support for therapies, equipment, and services that improve quality of life and help individuals reach their full potential.

Annual Cost: \$14,000

COMMUNITY EVENTS

We bring families and scientists together through events such as the KAT6 Conference and KAT6 Connect, offering opportunities to learn, connect, and participate in research.

Annual Cost: \$50,000

PARTNER WITH US

WHY?

- Directly support families navigating a rare genetic condition
- Align with a trusted, mission-driven community
- Be part of an event focused on connection, care, and research

Let's Build Something Meaningful Together

Every dollar raised through KATwalk helps drive research forward, support families, and ensure individuals with KAT6 are seen, counted, and better understood.
