

Clayton - Miyo - Colossal

4 BEDS | 2 BATHS | 1,400 SQ FT | 18' x 80'

Welcome to the Clayton MiYO Colossal, a thoughtfully designed 4-bedroom, 2-bathroom manufactured home offering 1,400 sq. ft. of modern living space. With an expansive 18' x 80' footprint, this home lives up to its name — providing open-concept living, sleek finishes, and practical comfort for today's lifestyle. Inside, you'll find 8' flat textured ceilings, durable Duracraft cabinetry, and a bright, airy layout complete with Thermopane Low-E windows, can lighting, and a ceiling fan with light in the living room. The chef-inspired kitchen boasts 42" overhead cabinets, brushed nickel faucets, a stainless-steel sink, 18 cu. ft. refrigerator, and a standard electric range with a vented range hood — perfect for both everyday meals and entertaining. The primary suite includes a glamour bath with ceramic commodes, sliding shower door, and Hollywood-style lighting, delivering a touch of luxury. Enjoy peace of mind with features like 200-amp electric service, copper wiring, R21 insulation in ceilings, and a 40-gallon electric water heater. Built to last with American-made I-beams, detachable hitch, vinyl siding with OSB wrap, and 3-tab shingle roof, this home also comes plumbed and wired for washer and dryer, includes exterior GFI outlets, and features main and individual shut-off valves for added convenience.
