

BOYER

ENVIRONMENT POLICY

BOYER IS COMMITTED TO SUSTAINABLE DEVELOPMENT OF ENVIRONMENT AND NATURAL RESOURCES.

We are committed to:

- ⚠ Operating our business in a manner that supports sustainable development and makes efficient use of resources
- ⚠ Using processes, practices, materials or products that avoid, reduce or control pollution
- ⚠ Achieving continual improvement of our environmental performance through proactive and vigilant management of our operations
- ⚠ Conducting our activities in compliance with relevant environmental legislation, regulations and permit conditions
- ⚠ Integrating environmental considerations into planning and future developments
- ⚠ Communicating with openness and honesty and working with full cooperation with our people, the community and stakeholders on environmental issues
- ⚠ Ensuring our staff, business partners and service providers are aware of our environmental policy and are able to fulfill their environmental responsibilities accordingly
- ⚠ Regularly setting and reviewing environmental objectives and targets
- ⚠ Conducting regular reviews of our environmental management system to ensure it is appropriate and effective in managing our environmental responsibilities.

Boyer Paper Mill is Australia's only supplier of wood-containing printing paper. We manufacture newsprint, improved newsprint and lightweight coated products at our site at Boyer, Tasmania, Australia.
