

CBL Crates

The food safe crate

This durable, reusable plastic box is available in six different sizes. Thanks to its long lifespan and full recyclability at the end of use, it offers a significantly more sustainable alternative to single-use cardboard packaging.

100% recyclable

Made of durable, wear-resistant plastic and 100% recyclable.

Stackable

Standard European dimensions for modular packaging.

Well ventilated

The ventilation openings help keep your products cool and dry.
