

# E Performance

## The food safe and traceable meat crate

E-Performance crates are designed for the meat industry and feature a unique traceable barcode. They are available in various sizes, highly hygienic, odour- and flavour-neutral, and suitable for both automated logistics and the transport of meat and other food products.

### 100% recyclable

Made of durable, wear-resistant plastic and 100% recyclable.

### Stackable

Standard European dimensions for modular packaging.

### Staying fresh

Smooth wall and bottom construction to preserve freshness.

### Characteristics
