

# Euro Dolly

## The rolling quarter pallet

This wheeled quarter pallet is ideal as a base for POS displays or for transporting crates and other modular packaging. Equipped with a brake and ergonomic design with integrated handles, it ensures safe and easy handling. Suitable for use throughout the supply chain, it eliminates the need for repacking and supports more sustainable logistics.

### Recycled plastic

The combination of steel and plastic guarantees a long service life and the material is 100% recyclable.

### User-friendly

Can be moved easily without a pallet jack, which makes it extremely convenient to use.

### 2 RFID tags and bar codes

Equipped with 2 RFID tags and bar codes for 'smart' use.

### Characteristics

Material	HDPE/Steel
Temperature (C°)	-30C to +50C

### Dimensions

External (L x W x H)	600 x 400 x 173
Weight (kg)	5,3

### Loading capacity

Dynamic load capacity (kg)	250
----------------------------	-----

### Loading quantities

Units per trailer	128
Stack (units)	15
Units per trailer (stacked)	1920
