

Easifold 250L

The foldable liquid bulk container

This compact, foldable IBC is for safe and efficient handling of fluid products. Its reusable outer container with disposable liner and valve prevents contamination. Lightweight and space-saving, it offers a cost-effective and resource-efficient distribution solution that meets all health and safety standards.

Sustainable

Ultra-durable containers can be reused for years and the plastic is recycled at the end.

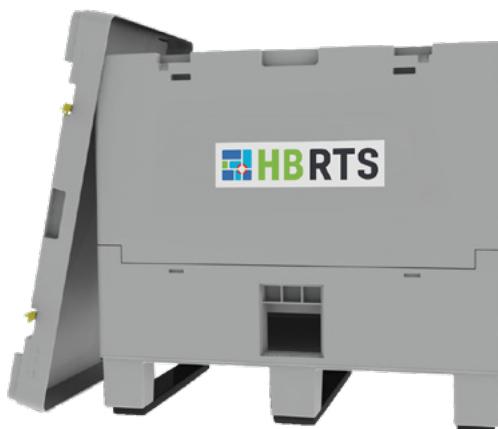

Built for automation

Consistent dimensions, smooth system flow, and easy handling by a single operator.

Foldable

To save space in return logistics

Characteristics

| | |
|------------------|--------------|
| Lid | Yes |
| Runners | 3 |
| Material | PP |
| Foodgrade | Yes |
| Temperature (C°) | -10C to +40C |

Dimensions

| | |
|----------------------|-----------------|
| External (L x W x H) | 809 x 609 x 834 |
| Internal (L x W x H) | 737 x 537 x 660 |
| Weight (kg) | 20 |
| Volume (l) | 250 |

Loading capacity

| | |
|----------------------------|------|
| Static load capacity (kg) | 4000 |
| Dynamic load capacity (kg) | 1400 |

Loading quantities

| | |
|----------------------------|-----|
| Units per trailer | 66 |
| Units per trailer (folded) | 396 |
