

GLC Foldable 1000L

The foldable bag-in-box Container

This collapsible steel IBC is suitable for liquid products. Thanks to its sloped base and wide access opening, the container is easy to empty and clean. The collapsible design also makes it ideal for efficient storage and return logistics.

Foldable

Fully collapsible into a compact unit for efficient transport and storage.

Easy handling

Designed for easy and safe handling, with a collapsible design that makes moving and setting it up effortless.

Galvanised steel

Galvanised steel with a long lifespan and resistant to intensive use.
