

GLCM Foldable Sump

The foldable bag-in-box Container with conic base

This sturdy, collapsible steel IBC features a 35° sloped based for efficient emptying of viscous products. The container is easy to fill, clean and fold, making it ideal for intensive logistical applications.

Foldable

Fully collapsible into a compact unit for efficient transport and storage.

Easy handling

Designed for easy and safe handling, with a collapsible design that makes moving and setting it up effortless.

Galvanised steel

Galvanised steel with a long lifespan and resistant to intensive use.

Characteristics

Lid	Yes
Material	Galvanised steel
Temperature (C°)	-30C to +85C

Dimensions

External (L x W x H)	1200 x 1000 x 1380
Folded (L x W x H)	1200 x 1000 x 675
Weight (kg)	217
Volume (l)	1200

Loading capacity

Static load capacity (kg)	7000
Dynamic load capacity (kg)	2000

Loading quantities

Stack (empty)	3
Stack (full)	3
Units per trailer (empty)	72
