

GLCS Foldable 500L

The compact foldable bag-in-box Container

This compact, collapsible IBC features a lightly sloped base for optimal product discharge. Thanks to its strong steel construction and hygienic design, the container is suitable for liquid food products and a wide range of industrial applications.

Foldable

Fully collapsible into a compact unit for efficient transport and storage.

Easy handling

Designed for easy and safe handling, with a collapsible design that makes moving and setting it up effortless.

Galvanised steel

Galvanised steel with a long lifespan and resistant to intensive use.
