Kathy Hochul Is Stealing from New York's Most Vulnerable

"Every dollar stolen by Hochul's administrative fraud is a dollar that should have gone to caring for patients. It is absolutely disgusting that Kathy Hochul uses programs meant to help our most vulnerable neighbors to reward political insiders, from overpaying \$286 million on a no-bid contract for healthcare testing to an \$11 billion home care giveaway. New Yorkers are paying the price for Hochul's corruption with the highest taxes in the nation and a worsening affordability crisis. As Governor, I will audit Medicaid, end the pay-to-play corruption, and make sure taxpayer dollars go to patients—not political donors," Nassau County Executive and gubernatorial candidate Bruce Blakeman said as the Hochul Administration is charged in an \$11B Medicaid fraud scheme.
