

Field Guide

Broadcast Message

1. Click the **Hunt** panel button. Click **Broadcast Message**.

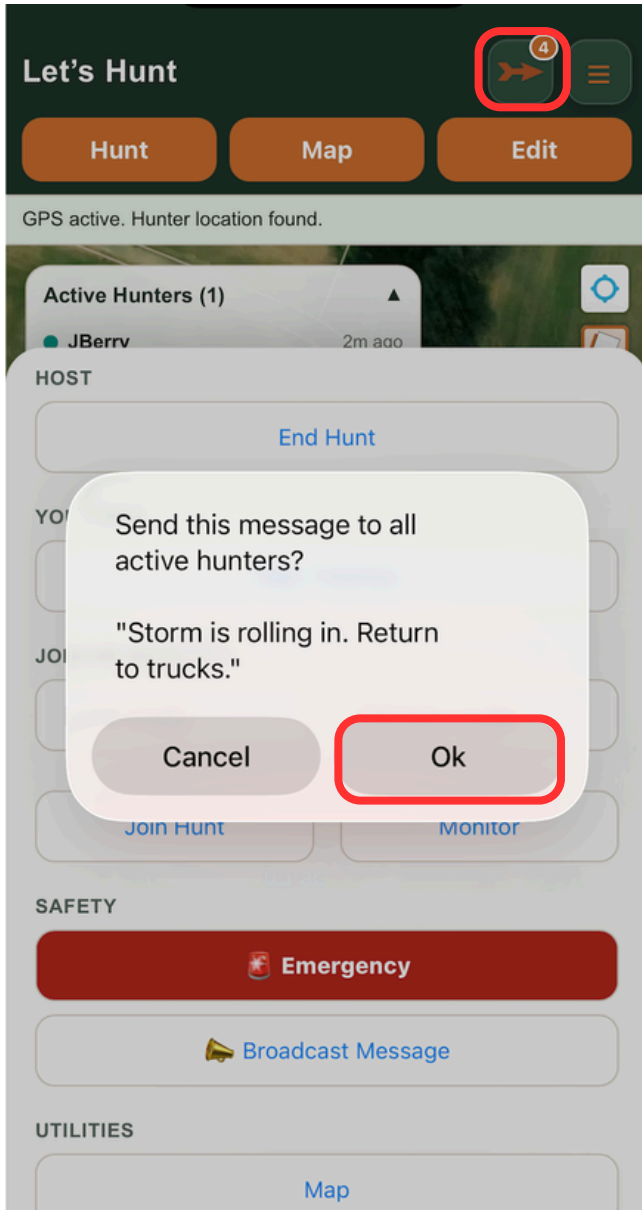

2. Enter a message in the pop-up box (character limit is 200). Click **Ok**.

Field Guide

Broadcast Message

3. Review the message and click **Ok**.

As noted in the second pop-up box, a broadcast message is sent out to all hunters active on this hunt. They will receive a push notification as well as in-app under the **Notifications Icon**.
