

The CORE Team Canvas

[Team Name]

Step 1

Team Identity & Roles

Who we are and how we contribute

A. Who are we?
Introduce the team in one sentence

As a team we are...|

B. What skills do we have?
List key strengths in the team

Key skills include:

If you disagree, you can always dot vote.

C. Do we have the right roles?
Do we have all the roles required? If not, what's missing?

We need to include the following skills:

If you disagree, you can always dot vote.

Dot voting – 3 votes each

Step 2

Purpose & Goals

What we aim to achieve and why it matters

A. What is our shared goal?
Define our mission in a single statement.

As a team our mission is...|

B. How will we measure success?
Define 2-4 key results

We will measure success through:

If you disagree, you can always dot vote.

C. Why does this matter?
Clarify the impact and importance

This matters because:

If you disagree, you can always dot vote.

Dot voting – 3 votes each

Step 3

Needs & Resources

What we require to succeed

A. What do we need to be successful?
People, Tools, Budget, Knowledge

As a team, we need the following:

Need to have	To help with prioritisation	Need to have
--------------	-----------------------------	--------------

If you disagree, you can always dot vote.

B. How does our work align with company needs?
Organisational dependencies

Our work aligns with:

If you disagree, you can always dot vote.

C. Who benefits from our work?
Internal & external stakeholders

The following stakeholders benefit from our work:

If you disagree, you can always dot vote.

Dot voting – 3 votes each

Step 4

Team Culture & Ways of Working

How we collaborate, communicate, and make decisions

A. What values define us?
Core principles and values for teamwork

These are our guiding values and principles:

If you disagree, you can always dot vote.

B. How do we make decisions?
Consensus, voting, delegation?

As a team, decisions are made by:

If you disagree, you can always dot vote.

C. How do we communicate?
Preferred tools, check-ins, rituals

We prefer to communicate using:

If you disagree, you can always dot vote.

Dot voting – 3 votes each

Step 5

Risks & Challenges

Obstacles to be aware of and prepare for

A. What risks or weaknesses do we have?
Gaps or challenges ahead

We are aware of these gaps and weaknesses:

If you disagree, you can always dot vote.

B. What obstacles do we foresee?
Potential blockers

The following can impede progress:

If you disagree, you can always dot vote.

C. What are the biggest risks to our success?
Identify high-impact risks

The following are considered show-stoppers:

If you disagree, you can always dot vote.

Dot voting – 3 votes each

Step 6

Commitments & Next Steps

Review insights & define concrete actions

A. Next steps
Define what tasks are to be done

Now

Next

Later

B. Reflections and takeaways
As defined by each team member

Our final thoughts include:

If you disagree, you can always dot vote.

Are we clear and aligned as a team?

There is more work to be done L. Crystal clear!
