Illinois Innocence Project

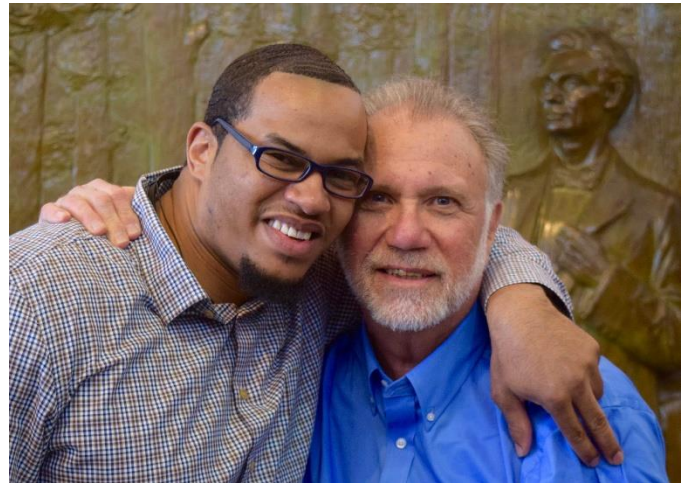

December 2017

Dear Friends,

Thanks to you, 11 innocent people who were wrongly convicted and imprisoned will ring in the New Year as free men and women. On behalf of them, thank you.

Your continued support is making monumental differences in people's lives every day.

Today, we are launching our 2017 Year-End Campaign. Our goal is to help exonerate as many innocent people as possible. Government misconduct, false confessions and eyewitness misidentification are a few reasons why wrongful convictions occur.

Would you being willing to make a special year-end donation of \$300 to help others who have been unjustly incarcerated get their lives back? Or as much as you can.

We simply cannot do it without you. Your support will make a real, lasting impact on the lives of those who are still in need. Please, [click here](#) to make your year-end gift.

On behalf of our exonerees, students, volunteers and staff, thank you for being a champion for the innocent!
