

December 2017

Dear Friends,

At the close of another year, we gratefully pause to wish you a warm and happy Holiday Season!

We appreciate all those who made contributions to the Illinois Innocence Project. Your kindness and generosity keep hope alive for those who have been wrongly imprisoned across the state of Illinois.

We are thankful that our exonerees are able to be with their families at this time of year. You helped make this happen.

And we are thankful for an office of dedicated students, staff and volunteers who commit themselves to ensuring that innocent people return home to their loved ones, where they belong.

With Gratitude,

The Exonerees, Students, Volunteers and Staff of the Illinois Innocence Project
