

December 2018

Dear Friends,

What an incredible 2018!

Thanks to your support, this year we:

- **Won Exoneree Bill Amor's retrial** – he is now truly free.
- **Introduced and passed the strongest legislation** in the nation to protect the innocent from jailhouse informants.
- **Won court approval** to DNA test evidence in multiple cases.
- **Trained 145 police recruits** in the prevention of wrongful conviction.
- **Successfully pushed the state of Illinois** to provide long overdue compensation to Illinois exonerees.
- **Received 310 requests** for assistance and continued work on 40+ active cases.
- **Teamed up on several cases** with private attorneys, law firms across the state and other innocence organizations.
- **Spread awareness** of wrongful conviction through seminars for lawyers, law clinics and undergraduate classes, and community speaking engagements
- **Benefited from** our 14 UIS students' commitment to innocence work.

We're eager to keep fighting in 2019 to prove the innocence of ALL of our clients.

With gratitude and Happy New Year wishes,

IIP Staff, Exonerees, Students and Volunteers
