

November 2018

"Sometimes, when I'm having a really bad day – working on a case and feeling frustrated about injustice in our world – *stop and think about all of the wonderful human beings who make the work I'm doing possible. That kind of renews my faith in humanity.*"

– Sonia Hernandez, UIS senior and IIP intern

Dear Friends,

Without the kindness and generosity of people like you, we would be unable to do what we do.

So as we begin this holiday season, we reach out to you with grateful hearts and say "*Thank You.*"

We really couldn't do it without you.

With gratitude,

IIP Students, Exonerees, Volunteers and Staff
