SUMMARY

Motivated Web Developer seeking a full-time position. I specialize in building reliable websites that look great and run smoothly. I am a dedicated team player who learns quickly, solves problems efficiently, and is committed to delivering high-quality results for the company.

WORK EXPERIENCE

Web Developer Bold Label

Remote | 2025 - Present

- **Website Development:** Built responsive WordPress sites matching strict design specs and timelines from the agency founder.
- **Team Collaboration:** Partnered with design teams to ensure technical feasibility and pixel-perfect visual execution.
- **Maintenance:** Managed content updates and routine maintenance to ensure site security and 100% uptime.
- **Optimization:** Optimized code and assets to guarantee sub-second load times and mobile fluidity.

Freelance Web Developer

Independent | 2025 - Present

- **Project Delivery:** Delivered complete Webflow & WordPress projects for global clients, strictly adhering to deadlines.
- **Client Communication:** Maintained clear communication with agency partners (e.g., Duo Design Lab) to incorporate feedback efficiently.
- **Problem Solving:** Independently resolved technical issues and provided post-launch support to ensure site stability.
- **Quality Assurance:** Conducted rigorous cross-browser testing to ensure bug-free, mobile-responsive deliverables.

EDUCATION

B.A. Hospitality & Tourism National

Management Degree College | 2016 - 2023

Diploma in Human Capital National

Management Academy | 2020
