Celebrating Innovation | Excellence | Community

Issue: September 2025

## Arts Week Highlights Student Talent

Arts Week was a vibrant celebration of creativity and expression, bringing together song, music, dance, and visual art in a spectacular showcase. The week was packed with engaging activities—from community painting to captivating performances by several student groups. This immersive experience highlighted the passion and dedication of our students across all artistic disciplines. We are incredibly proud of their commitment, resilience, and the unique voices they bring to every piece of art and performance.

## World Scholar's Cup

Fifteen of our talented students proudly represented XWA at the prestigious World Scholars Cup Global Round in Bangkok. Over several days, they showcased their skills through debates, collaborative writing, general knowledge challenges, and creative critical thinking games—all designed to test teamwork and intellectual agility. Their dedication and hard work were rewarded with outstanding success: four trophies and a remarkable total of 112 medals! We are incredibly proud of our students' resilience, dedication, and school spirit throughout their rigorous preparation and the competition itself.

## Strengthening Parent Partnership at XWA

At XWA, we believe that education is most powerful when schools and families work hand-in-hand. Our recent Back to School Night was a wonderful opportunity for parents to connect with their child(ren)'s teachers and gain deeper insight into the learning journey ahead. This event is just one part of our ongoing commitment to parent partnership. Through regular workshops, community-building sessions, and skill-sharing classes, parents not only support their children's wellbeing and growth—they also become active members of the XWA fabric. Whether it's learning a new language, joining a parent-led class, or simply connecting with others, there's always a space for parents to grow, engage, and contribute.

## Family BBQ: Celebrating the XWA Community

XWA Family BBQ 2025 was a joyful gathering honouring our community and the spirit of XCL World Academy. With over 20 performances from both our EYPY and SY students—including student bands, our school orchestra, and dynamic dance groups—our families and staff were treated to an inspiring showcase of student talent. Alongside delicious food and engaging family-friendly activities, the event truly highlighted the warmth and energy of the XWA community. It was a memorable evening reflecting our commitment to nurturing the diverse talents and growth of every student.

## Lion City Fair: Exploring Future Pathways

Our campus recently hosted the Lion City Fair, an exciting university fair that welcomed over 150 universities from around the world to our gymnasium. The event provided an incredible opportunity for our students and their families to connect directly with university representatives and gain firsthand insights into academic programmes, admissions processes, and campus life.

It was a vibrant and informative afternoon, designed to empower our students to make well-informed decisions about their future educational journeys. At the heart of the fair was our belief that informed choices lay the foundation for meaningful academic and personal growth.

## Stay Connected!

For real-time updates, photos, and event reminders, be sure to follow us on our official school platforms and social media! Thank you for being part of our vibrant XWA community.
