- Non-Smart Watch (*optional*)
- Fishing Pole (*optional*)
- Disposable Cameras (*optional*)

Camp is a chance for us to unplug from the distractions of the world so we ask Students to leave phones and electronic devices at home (this includes Apple Watches, iPads, iPods, AirPods, gaming devices, etc.) so they can fully engage with their camp experience!

To keep our cabins wildlife-free, students won't be able to store snacks in their rooms—but don't worry, we'll have plenty of great food provided throughout camp!
