SGUINZI

Digital Innovation and Logistics: The Transformation of Sguinzi Pietro Spa

Funded by the Regional Program under the European Regional Development Fund 2021/2027 of the Lombardy Region PR ERDF 2021-2027

Action: 1.4.1. "Development of skills for industrial transition and corporate sustainability"

Call for proposals: SKILLS AND INNOVATION

Beneficiary: SGUINZI PIETRO S.p.A.

Project Description:

The project supported the enhancement of the skills of Sguinzi Pietro S.p.A.'s staff in digital transition and organizational innovation through training activities dedicated to advanced logistics management, warehouse flows, and supply chain processes. The program promoted the development of digital skills related to the use of VMS systems, AS400 integration, and business process optimization.

The project is funded by the European Union, the Italian Government, and the Lombardy Region.
