WorldNXT Group Portal

Product Benefits

WorldNXT Group Portal integrates with SMS|Host for a seamless Group Contact and Group Rooms Coordinator experience.

The interface allows improved accuracy of information and overall efficiency through:

- **For the Group Contact**
 - View group details such as block and pickup
 - Create Group Landing Page
 - View and download reservations
 - Manage rooming list
 - Create additional group contacts
 - Download group documentation
- **For Group Rooms Coordinator**
 - Manage Group Room Coordinator Accounts
 - Manage Group Contact Accounts
 - Easily sync and edit groups needed in the portal
 - Configure group Welcome Messages
 - Upload group documentation

Interface Functionality

The Group Portal provides 24/7 online access to Group Contacts hosting events at your property, enabling them to feel empowered. Both the Group Contact and Group Sales can view/export a rooming list to Excel, monitor the group's block and pick-up, access group-specific documents and more.

Software and Hardware Requirements

The product is compatible with, and requires, the following:

- Current releases of the SMS Product Suite
- Diplomat Type II server (see Exhibit A - Hardware Requirements document)
- WorldNXT Group Portal is an add-on to either WorldNXT LBE or Owner Portal
