WorldNXT Mobile Guest

Product Benefits

WorldNXT Mobile Guest integrates with ^{SMS}|Host for a seamless guest and staff experience empowering your guests with information at their fingertips.

The interface allows improved accuracy of information and overall efficiency through:

- Custom Branding
- Messaging Platform
- PMS Integration
- Analytics Insights
- Express Check-in
- Digital Registration
- Destination Details
- Folio Review & Check-out
- Digital Key (add-on feature)

Interface Functionality

The WorldNXT Guest Mobile Application is the key to a successful brand strategy. At the property level, staff are able to fully customize the app and manage push notifications from the WorldNXT admin site. The app permits the property to curate the guest experience prior to stepping foot on property.

Software and Hardware Requirements

The product is compatible with, and requires, the following:

- Current releases of the SMS Product Suite
- Diplomat Type II server (see Exhibit A - Hardware Requirements document)
- Digital Key supports the following lock providers (Assa Abloy, Dormakaba, Onity, Salto, and coming soon MIWA)
