WorldNXT Tee Times

Product Benefits

WorldNXT Tee Times integrates with the ^{SMS}|Golf Tee Time module for a seamless guest and staff experience.

The interface allows improved accuracy of information and overall efficiency through:

- Real-time availability request to the ^{SMS}|Golf Tee Times module
- Online Tee Time bookings created and pulled directly out of availability.
- Tee Times for Public Guest, Members, and Lodging Guest
- Online Tee Time cancellations
- Online Tee Time deposits (100% deposit only)
- Room & Golf Bookings (through WorldNXT LBE)

Interface Functionality

^{SMS}|Golf Tee Times integrates with WorldNXT Tee Times requiring minimal interface configuration for a speedy installation. All player types (Public, Member, and Lodging) can book and cancel tee times online to allow the Pro Shop staff time to focus on other aspects of the business. Public Guests can search and book tee times as desired. Members will take comfort knowing they can easily sign in online to book tee times. Lodging Guests will have the option to book room and golf together (WorldNXT Lodging) as well as enjoy the flexibility to add a tee time to their existing lodging itinerary (WorldNXT Tee Times). This interface caters to all guest types at your property while keeping things organized and in real-time for your staff.

Software and Hardware Requirements

The product is compatible with, and requires, the following:

- Current releases of the SMS Product Suite
- Diplomat Type II server (see Exhibit A - Hardware Requirements document)
- ^{SMS}|Golf Tee Time Scheduling module
- ^{SMS}|POS

Please contact your SMS Sales Manager for more information about the requirements.
