

THE BRIDGE CONNECTING FINTECH ECOSYSTEMS ACROSS THE AMERICAS.

Miami Fintech Club is a strategic platform with roots in Miami that connects founders, investors, financial institutions, and ecosystem builders across Latin America, North America, and Europe. We turn high-quality conversations into real cross-border execution.

01

EVENTS & COMMUNITY

We convene the fintech ecosystem across LATAM and the US. Our events, memberships, and deal-flow formats give companies the access and visibility to build real relationships in the right rooms.

Event Sponsorships

Branded presence at the conversations that matter.

Memberships

Three tiers of access to the right network.

Demo Days and Venture Days

Curated deal-flow connecting startups and capital.

02

MARKET ACCESS PROGRAMS

Structured market entry for companies expanding into Miami and the US, or into Latin America. We open the right doors, navigate complexity, and accelerate your first months in a new market.

Miami Immersive Week

One intensive week. The right doors, open.

Soft Landing

Sustained support for companies entering the US.

03

GROWTH STRATEGY

For companies that need more than market entry. We design and execute cross-border growth strategies across three routes: LATAM to LATAM, LATAM to Miami, and Miami to LATAM.

Go to Market Strategy

A structured 10-week cross-border expansion program.

Innovation Programs

For financial institutions: from strategy to implementation.
