BAMPOT

DID YOU KNOW?

(NOUN) INFORMAL ✦ SCOTTISH

1. a foolish, unpleasant, or obnoxious person
2. "I think they heard you the first time, you crazy bampot!"

HOW OUR ANTI-CAFE WORKS:

We start charging you by the hour once you stay longer than an hour and discount all your teapots that you have had or will have to the anti-cafe pricing. We also automatically charge anti-cafe rates for groups playing board games or for parties of 4+. Limit of 1 pot or coffee per person at a time. Included is a cup of seasonal soup which you can ask for any time during your stay.

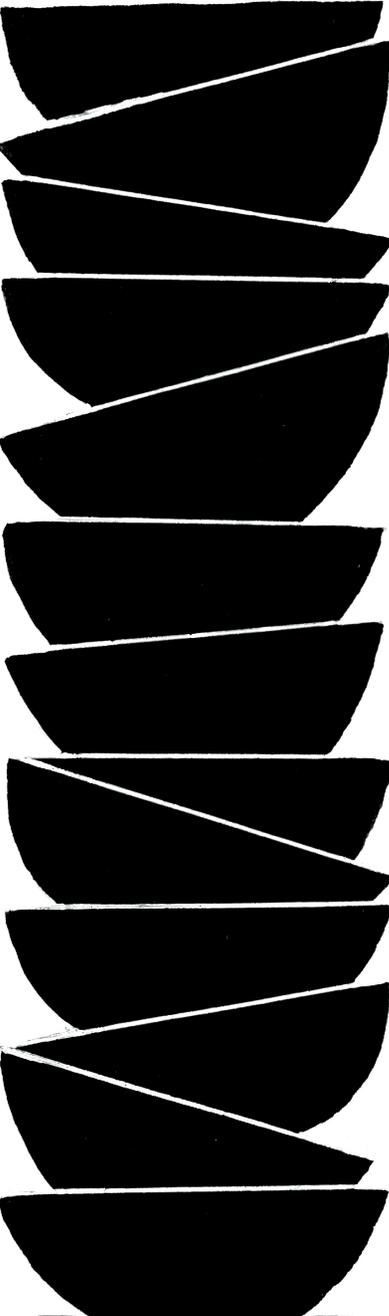

If you end up buying alcohol, we stop your anti-cafe time, and move you to a la carte service. If you stay less than an hour, you also pay a la carte pricing. If you sit for more than an hour without ordering a drink, we continue your seating time.

Auto-grat of 20% will be added to parties of 4+ and reservations.
