Qualification code	HLT57425													
Qualification title	Diploma of Audiometry													
Modification history	Release 1.	Supersedes and is not equivalent to HLT57415 Diploma of Audiometry. Changes to packaging rules. Total number of units reduced from 19 to 17. Core units updated and increased from 11 to 12. Elective units updated and reduced from 8 to 5.												
Qualification description	This qualification reflects the role of audiometrists who conduct hearing assessments to identify hearing impairment and take appropriate action based on the test results. They may refer clients for further audiological or medical assessment and may be involved in care management and education programs. At this level, audiometrists also prescribe and dispense hearing aids and other listening devices to assist in hearing rehabilitation. Audiometrists may work in medical settings or industrial contexts or as independent practitioners. <i>The skills in this qualification must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.</i> <i>No occupational licensing or certification requirements apply to this qualification at the time of publication.</i>
