

School Based Education and Support Qualification Review

This project will review and update the School Based Education Support qualifications to ensure they support improved person-centred and rights-based practice.

It will also consider the development of a Diploma of School Based Education Support and other opportunities to create/support potential pathway opportunities.

Benefits of being involved

Your input is important and will:

- help align qualifications with current legislation and reporting requirements
- ensure the future workforce has the knowledge and skills to support students
- provide insight into workforce training needs.

How to get involved

Please visit humanability.com.au or email us at research@humanability.com.au to sign up to learn more about the project and register for updates and consultation opportunities.
