

Early Childhood Education and Care Qualification Review

This project will review the CHC50121 Diploma of Early Childhood Education and Care and the CHC30121 Certificate III in Early Childhood Education and Care.

It will also explore recommendations from recent reports to ensure training reflects current practices and regulations, and support the development and growth of the early childhood education and care (ECEC) workforce.

Benefits of being involved

Your input is important and will:

- help align qualifications with current legislation and reporting requirements
- ensure ECEC graduates enter the workforce with adequate preparation
- provide insights into current workforce skills gaps and identify opportunities for training improvements.

How to get involved

Please visit humanability.com.au to learn more about the project and register for updates and consultation opportunities.
