

Outdoor Recreation Qualification Review

Ensuring a sustainable skilled workforce

The Outdoor Recreation Qualification Review project will critically evaluate and update qualifications in the sector to ensure they align with current industry needs, regulatory requirements, safety and wellbeing outcomes.

The 4 qualifications being reviewed are *SIS20419 Certificate II in Outdoor Recreation*, *SIS30619 Certificate III in Outdoor Leadership*, *SIS40621 Certificate IV in Outdoor Leadership* and *SIS50421 Diploma of Outdoor Leadership*.

With over 600 operators, the outdoor recreation industry is projected to grow by 10 per cent by 2026.

We aim to enhance the relevance and applicability of qualifications to create clear and sustainable career pathways and to support existing and future growth in the industry.

Benefits of being involved

Your involvement in the project is important and will:

- help to create clear career pathways to support existing and future industry growth
- ensure relevant and quality training opportunities are provided
- assist in attracting and retaining a qualified and sustainable sector workforce.

How to get involved

Please visit humanability.com.au to find out more about the project and to register for project alerts, updates and consultation opportunities.

Webpage: [Outdoor Recreation Qualification Review](https://humanability.com.au)

There will be a range of activities during the consultation period such as workshops, interviews and meetings.
