

# Webb Vortex Unlimited runs 10% cooler for better braking performance and 25% longer life

**WEBB  
VORTEX<sup>®</sup>  
UNLIMITED**

## 25% more life from your drum\*

- The perfect choice for an “unlimited” number of standard-duty applications
- Patented light-weight cast construction
- Superior heat transfer efficiency for **10% cooler operating temperatures**
- Longer brake and lining life for lower maintenance costs
- New patented wear indicator takes the guesswork out of repairs and saves labor time
- The ultimate low-temperature, long-life brake drum
- Made in the USA

# WEBB VORTEX® UNLIMITED

## The ultimate low-temperature, long life brake drum

Everybody in this business knows that brakes work better and last longer at cooler temperatures. That's why Webb engineers focus on the two-fold mission of cutting weight and improving heat transfer efficiency. The result... Webb Vortex® Unlimited.

The patented Webb Vortex® Unlimited brake drum employs external cooling ribs that conduct heat away from the brake surface for superior heat dissipation and 10% lower operating temperatures.

Running significantly lower temperatures than ordinary drums, Webb Vortex® Unlimited performs better and lasts 25% longer. Plus, the new patented Wear Indicator on the popular 77864B model reduces maintenance costs by taking the guesswork out of wear measurements.

Webb Vortex® Unlimited... **the ultimate low-temperature, long-life solution.**

These photos taken from an infra-red camera mounted on the Webb Link dyno show a Webb Vortex® Unlimited drum next to a standard drum at precisely the same moment during braking. Compare the heat (red color) and you can actually see that Webb Vortex® Unlimited brake drums run significantly cooler.

Brake Size	Standard Drum	Vortex Drum
15 x 4	61528B	77528B
16.5 x 5	65710B	78402B
16.5 x 7	66864B	77864BW*
16.5 x 8	66800B	77800BW*
16.5 x 8.625	66854B	77854BW*

\* Model numbers ending with "W" give you up to 25% longer life.
