1990

Recognitions

IAB Design Award, 1996

Built at the center of the business district of Dhaka city in 1990, this twenty storied office building played a pioneering role for this building type. Efficient planning, straight forward structural system, high quality fair faced concrete, careful use of curtain walls all set new standards of efficiency, elegance, transparency and lightness ushering a new aesthetics of high-rise office building for the city.
