

This September school holidays, give your child an exciting mix of sports, STEM, language, and critical thinking! Our specially curated camps offer something for every interest—from energetic Badminton camps that build coordination, confidence, and teamwork, to CARS! a STEM camp, where children explore the science and engineering behind cars through hands-on challenges and creative experiments. Budding speakers can sharpen their communication and critical-thinking skills at our Debate Camp, while Learn Chinese via Chinese Chess makes language learning fun and engaging through the strategy and culture of 象棋. With a lively blend of active play, hands-on discovery, strategic thinking, and communication, children will develop valuable new skills while making friends and creating memorable holiday experiences.

This Chinese Speech & Drama via 象棋 (Chinese Chess) harnesses the timeless appeal of traditional board games to create an engaging, context-rich environment for learning Chinese.

Through captivating historical stories linked to the games, students bring ancient battles and strategic legends to life by enacting dramatic plays, making language acquisition both expressive and memorable.

By pairing these theatrical performances with hands-on, interactive traditional games, learners naturally absorb character stroke order, tactical vocabulary, and classic idioms (成语). This unique blend of storytelling, drama, and gameplay transforms Chinese learning into an immersive experience—building speaking confidence, reading skills, and cultural appreciation through active play.

Chinese Speech & Drama via Chinese Chess 象棋: (9 Sep Wed, 9a.m. to 12.30p.m.)

[Game materials will be provided.]

Badminton Camp

Choose from two tailored badminton camps, with training designed to help every player build skills, confidence, and game performance.

The **Beginner's Camp** is designed to introduce the fundamentals in a fun, supportive way —focusing on basic grips, footwork, and drills to train new players. For those with prior experience, the **Intermediate & Advanced Camp** provides extended training time to refine techniques, improve consistency, and develop game tactics through drills and match play.

By separating the camps, each group can train at the right pace, maximize court time, and enjoy a focused, rewarding badminton experience—no matter their starting level.

Badminton Camp (9 & 10 Sep (Wed & Thu))

#1A - Beginner's Camp: 1.30p.m. to 3.30p.m.
#1B - Intermediate & Advanced Camp: 1.30p.m. to 4p.m.

[Students need to bring their own rackets & wear school PE attire. Shuttlecocks will be provided.]

CARS CAMP

Rev up your child's
imagination at our Cars
Camp!

Unleash your child's inner engineer! In this hands-on workshop, young creators will dive into design thinking and storytelling to explore the mechanics of motion. Using recycled materials and electric motors, participants will draft, build, and customize their very own eco-friendly vintage car model. The excitement culminates in an epic Grand Prix race, where kids hit the track to showcase their innovation and sustainability in action!

Camp: 10 Sep (Thu)

9a.m. to 12.30p.m.

[Activity materials will be provided.]

Intro to Debate

Students will learn the fundamentals of debating through engaging discussions, fun team challenges, and interactive activities. The programme introduces key debate skills such as forming clear opinions, organising ideas, presenting persuasive arguments, and responding to different viewpoints.

Through guided practice, students will strengthen their critical thinking, communication, and public speaking abilities in a supportive environment. They will also learn how to express themselves respectfully, listen actively, and work effectively with teammates. By the end of the programme, students will gain greater confidence in sharing their ideas and speaking in front of others.

Camp: 11 Sep (Fri)

9a.m. to 12.30p.m.

[For P2 to P4 only]
