

# REVIVAL BAR+KITCHEN

## PRIVATE DINING 2022

Our food is sustainably, responsibly sourced, with an emphasis on organic and local ingredients. We use whole animals and vegetables to keep our menu both superbly tasty and resource efficient.

These ideas inform our cocktail program as well; our drinks feature the finest seasonal ingredients as well as a lively liquor list. Our wine program features bottles from California and the rest of the world.

Our Private Dining Room is ideal for meetings, rehearsal dinners, holiday parties, and other gatherings. The room seats 40, is available for lunch and dinner, and is A/V friendly. Create an intimate feel for a smaller group, or bring in the whole crowd for your Reception.
