

Wahed FTSE USA Shariah ETF

Why invest in HLAL?

Core U.S. Equity Exposure: The first Islamic ETF in the U.S. (listed on NASDAQ), HLAL provides passive, index-tracking exposure to U.S. equities taking into account Islamic business sector and financial screens

Growth Potential: The fund aims for long-term growth and capital appreciation in line with U.S. market returns. Financial screens ensure constituents have low levels of leverage, creating a higher balance sheet quality to offset growth sector exposures

Tool for Diversification: U.S. large cap and mid cap equities diversified across growth and value styles across 16 ICB sectors

Leading index construction and counterparties: Tracks the FTSE USA Shariah Index, which uses leading impartial authorities on Islamic investment guidelines. HLAL is custodied and serviced by U.S. Bank National Association

Cost Effective: Provides a lower cost alternative compared to traditional active mutual funds

S&P 500: The S&P 500 is a stock market index that measures the stock performance of 500 large companies listed on stock exchanges in the United States. It is one of the most commonly followed equity indices which is considered one of the best representations of the U.S. stock market.

MSCI World Islamic: The MSCI World Islamic Index reflects Sharia investment principles and is designed to measure the performance of the large and mid cap segments of the 23 Developed Markets (DM) countries* that are relevant for Islamic investors. The index, with 484 constituents applies stringent screens to exclude securities based on two types of criteria: business activities and financial ratios derived from total assets

* DM countries include: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Hong Kong, Ireland, Italy, Japan, Netherlands, New Zealand, Norway, Singapore, Spain, Sweden, Switzerland, the UK and the US.

Business & Financial Screening

- FTSE use Yasaar Limited, which is school neutral and represent all of the major Shariah schools of thought, creating a best practices approach that has credibility across the Islamic world
- Companies involved in any of the following activities are filtered out of the FTSE Shariah USA Index and, therefore, the ETF: Excess Debt, Alcohol, Weapons and Defense, Impure Foodstock, Conventional Financial Institutions, Adult Entertainment, Gambling, Tobacco
- The remaining companies are then further screened on a financial basis. The following financial ratios must be met for companies to be included:
 - Debt < 33% of total assets
 - Cash and interest bearing items < 33% of total assets
 - Accounts receivable and cash < 50% of total assets
 - Total interest and non compliant activities income < 5% of total revenue

Disclaimers

Past performance is no guarantee of future results. Charts and graphs are provided for illustrative purposes only.

Market returns are based upon the midpoint of the bid/ask spread at 4:00 p.m. eastern time (when NAV is normally determined for most ETFs), and do not represent the returns you would receive if you traded shares at other times.

Wahed FTSE USA Shariah ETF (the "Fund"), is a series of the Listed Funds Trust (the "Trust").

Before investing you should carefully consider the Fund's investment objectives, risks, charges, and expenses. This and other information is in the prospectus and summary prospectus. A copy may be obtained by visiting funds.wahedinvest.com. Please read the prospectus carefully before investing.

An investment in the Fund is subject to investment risk, including the possible loss of principal. The Fund may trade at a premium or discount to NAV. The Fund has the same risk as the underlying securities traded on the exchange throughout the day. Redemptions are limited and often commissions are charged on every trade. Wahed FTSE USA Shariah ETF shares may be bought and sold on an exchange through a brokerage account. Brokerage commissions and ETF expenses will reduce investment returns. There can be no assurance that an active trading market for ETF shares will be developed or maintained. The risks associated with this fund are detailed in the "Principal Investment Risk" section of the prospectus and could include factors such as equity market risk, ETF risk, Market Capitalization risk, Market risk, new fund risk, non-diversification risk, passive investment risk, sector risk, tracking risk, Shariah-Compliant Investment risk, tracking error risk, and/or underlying index risk.

"FTSE®" is a trade mark of the London Stock Exchange Group companies and is used by FTSE International Limited under license. All rights in the FTSE indices and or FTSE ratings vest in FTSE and/or its licensors. Neither FTSE nor its licensors accept any liability for any errors or omissions in the FTSE indices and/or FTSE ratings or underlying data and no party may rely on any FTSE indices, ratings and/or data underlying data contained in this communication. No further distribution of FTSE Data is permitted without FTSE's express written consent. FTSE does not promote, sponsor or endorse the content of this communication."

Diversification does not assure profit nor protect against loss in a declining market. Holdings and/or sector allocations are subject to change and are not buy/sell recommendations.

The Wahed FTSE USA Shariah ETF is distributed by Quasar Distributors, LLC.

There is no guarantee that dividends will be paid.

It is not possible to invest directly in an index.
