

Become a Recast Affiliate for free, sharing premium 3rd party content to your audience and earning for every view.

Recast enables businesses to sell to sell their media on a pay-per-view basis, directly to consumers anywhere online, with instant partner and affiliate revenue distribution.

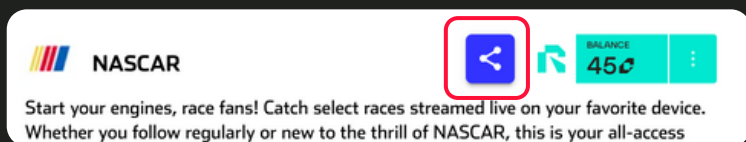

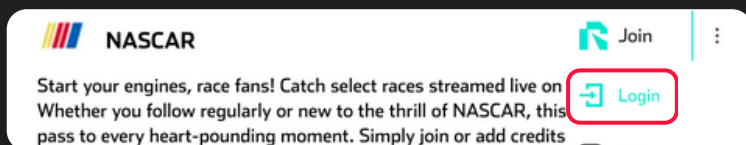

Using Recast's Affiliate & Syndication engine, Media Owners are incentivising Affiliates to share their content using unique 'Share & Earn' links in return for a pre-agreed revenue share.

What is a Recast 'Share & Earn' link?

- A unique link that allows Affiliates to share third party content and earn from every view.
- Affiliates will earn **a percentage of the net revenue** from every purchase via their link, set by the media owner.
- Earnings are instantly distributed into their Recast Wallet.
