COMPANY OVERVIEW

MVS Welding LLC is a proudly minority woman-owned welding and metalwork contractor based in Boston, Massachusetts. We provide high-quality welding, fabrication, and construction services with a commitment to safety, precision, and professionalism. Known for our versatility and problem-solving approach, MVS Welding supports both residential and commercial clients across new construction, renovations, and specialty metalwork.

Founded by a union-trained tradeswoman, **Maria Storms**, MVS Welding LLC exists to build more than structures, we build strength, opportunity, and long-term impact for our clients and community. We invest in the next generation by offering hands-on training in welding and emerging industries, bridging the gap between education and industry demand. Our business and nonprofit fosters equity, opportunity, and economic empowerment within our local communities.

DIFFERENTIATORS
